

GROSS POLLUTANT TRAPS

INNOVATIVE ENVIRONMENTAL TECHNOLOGIES

THE GPT-01 IN-LINE IS ONE OF THE SMALLEST IN THE GROSS POLLUTANT TRAP RANGE.

The GPT-01 is ideally suited for installation at the collection source in small catchment areas and is designed to remove gross pollutants, organic waste, silt, sediment and oils.

CHARACTERISTICS

- ▶ Risers available to allow depth of 3m to pipe invert
- ▶ Easy installation for all pipes up to 375mm diameter*
- ▶ Maximum design flow = 150 L/s (capacity)
- ▶ For use in systems where pipe and fittings under 100mm are not permitted
- ▶ Captures up to 95% of pollutant particles over 1mm
- ▶ Captures 80% of sediment down to 75 microns
- ▶ For catchment areas up to 1 ha
- ▶ Gross weight 120kg

* See Specifications on reverse side.

TYPICAL INSTALLATION

Complete installation instructions supplied with each unit. Simple steps for excavation, location, connection and backfill. Risers and Access Covers are available if necessary.

CLEANING OPTIONS

Designed for suction cleaning/pump out with standard vehicle mounted systems.

APPLICATIONS FOR THE GPT-01

The GPT-01 has been developed for a range of applications with any stormwater pipe up to 375mm diameter, including:

- ✓ Council work depots
- ✓ Bus and train stations
- ✓ Roadside drains
- ✓ Packaging warehouses
- ✓ Carparks
- ✓ Industrial sites
- ✓ Small subdivisions
- ✓ Pre-detention

LARGER MODELS ALSO AVAILABLE!

GROSS POLLUTANT TRAP SPECIFICATIONS

There are many benefits to The GPT-10, including but not limited to:

- ✔ The durable yet light-weight construction allows easy installation in a variety of places.
- ✔ The design allows for highly effective removal of Silt and Oil with minimal maintenance.
- ✔ The range accommodates pipe sizes; 150mm, 225mm, 300mm and 375mm in diameter. Flow rates up to 150 L/sec, allowing specific selection for most design criteria, and treatment of up to 95% of annual stormwater runoff.
- ✔ A choice of lid options to suit all loading requirements.
- ✔ The economical and environmentally sound stormwater treatment solution.

Model	Pipe Size	Order Code
GPT-10-150	150mm	AGL-GPT-10-150
GPT-10-225	225mm	AGL-GPT-10-225
GPT-10-300	300mm	AGL-GPT-10-300
GPT-10-375	375mm	AGL-GPT-10-375
